

Dacorum Community Safety Partnership Governance Structure

Responsible Authorities Officers Group (RAOG)

The Responsible Authorities Officers Group are under a statutory duty to ensure partnership work is in place within the Community Safety Partnership (CSP). The group meet regularly to review the strategic plan, evaluate progress against identified strategic priorities and share information.

Each responsible authority has the statutory duty to nominate a Designated Liaison Officer, whose role is to proactively facilitate information sharing between partners, ensure legislation is adhered to and at least minimum information sharing is adhered to.

Strategic Priorities 2020 – 2023

- County Lines
- Domestic Abuse
- Vulnerable Individuals
- Theft

Joint Action Group (JAG)

JAG is the operational, multi-agency group responsible for delivering the Community Safety Plan. The group meet on a monthly basis to update the partnership action plan, identify emerging issues and develop resolutions and initiatives aimed at reducing levels of crime and anti-social behaviour.

Community Safety Partnership Action Plan

The plan indicates, through specified actions, measures and outcomes, how the CSP will address the 4 Strategic Priorities throughout 2020-2023.

Community Safety Action Group (CSAG)

CSAG is the frontline, multi-agency group made up of several partner agencies who work within Dacorum. Attended by primarily frontline officers, the group is a platform where individual cases can be discussed and Community Triggers are heard. Partners can work together jointly at the meeting, to address concerns and complexities by formulating actions, sharing information and best practice to achieve positive results.
